Day Care Form

Always there Pet Care L.L.C. Day Care program is designed to improve and maintain socialization skills among dog. Your dog will be placed in a group with other dogs that will best suit your pets personality and behavior. Please note that each playgroup will be under close supervision by an experienced staff member.

We require that all dogs admitted to day care must be spayed or neutered if they are over the age of 7 months, as well as up to date on all vaccinations including DHLPP (distemper), Leptospirosis, RABIES, and BORDETELLA upon check-in.

Please bring proof (receipt from your vet.) that your pet meets these requirements. We do not accept dogs who's owners administers their own vaccinations. Please make any arrangements necessary to ensure that we receive these records.

Please keep in mind that your dog may receive minor scratches during play with your dogs(think of this as children at day care.) However, if your dog receives any wounds that require medical attention, we will make arrangement with you if you are available, transport your pet to either your vet, or our on call vet. Dr. Handerhan or the closest animal hospital to receive prompt medical attention. Any medical cost that is incurred as an result of treatment will be repaid to Always There Pet Care L.L.C. upon arrival for pick up.

I hereby authorize Always There Pet Care to transport my pet if medical attention is needed. I also give permission to administer vaccines if needed. Animals who are infested with fleas or unusually soiled will be bathed at the owner's expense. I agree to reimburse Always There Pet Care L.L.C. for the full amount of any medical cost upon arrival for pick-up.

Due to amount of physical activity entailed at Day Care, upon return your dog may experience a loss of appetite and exhaustion. Also, Due to the fact that dogs have free roam of the facility, please be aware that we are not responsible for any dropped off item; such as bowls, blankets, toys, etc. We have come to find that some dogs feel that everything belongs to them.

I understand that a half-day of Day Care, being 6 hours of under, is \$25.00 a day, and that exceeding 6 hours is a full day of day care and is \$35.00 a day.

After reading and understanding the above, please sign below and provide a daytime phone number where you can be reached.

Pets Name(s): _____
